Subject: Microsoft Settlement

To whom it may concern,

I wanted to submit my comments on the antitrust settlement between Microsoft, the Department of Justice and nine states before Monday's deadline. I believe the terms of the settlement are reasonable and fair to all parties involved and go beyond the ruling by the Court of Appeals. This settlement represent the best opportunity for Microsoft and the industry to move forward. Adopt the settlement and let's move on to more pressing issues.

Thank you,
